

Meet the GSGCNWI Global Action Volunteer Team

Who We Are

The Girl Scouts of Greater Chicago and Northwest Indiana's Global Action Volunteer Team is a group of volunteers who love all things global and travel. We've traveled extensively locally, nationally, and internationally with Girl Scouts and on our own. Our team is here to serve GSGCNWI girls and volunteers to make global, cultural, and travel experiences fun and accessible to all members of our Girl Scout community.

What We Do

We help to create and promote cultural awareness programming and travel opportunities. Our passion is to bring the world to the girls and the girls to the world!

How We Can Help You and Your Troop and/or Service Unit

Members of our Team will talk with you or come out to your troop to discuss cultural awareness activities, to talk about travel, to help you plan a trip, or to just get your girls excited about possibilities. Members of our Team have traveled to the WAGGGS World Centres and more countries than we can count.

If you are a leader with little to no travel experience, but your girls want to travel, we can help you develop the confidence to take them places!

If your Service Unit is planning an International Fair, World Thinking Day event, or any other event with a global focus, please let us know. We'd love to have a table at the event or help in any way that you need. We're a resource, so use us!

Our Motto

Dream It. Plan It. Travel.

Our Mission

- Empower and challenge girls and leaders to cultivate and expand global and cultural competencies through council-sponsored programs and travel opportunities, girl-led Take Action Projects, and leader trainings
- Encourage and support troops and service units to engage with their global community and foster local cultural partnerships
- Develop awareness that local and global travel is financially accessible to every girl
